

Why Membership Matters

Church Membership is an intentional step a follower of Jesus takes in order to pursue greater spiritual maturity, find a meaningful ministry to serve, and be on-mission for God in his world together with a community of believers.

Discover God's Purpose for Your Life at Core Class

This year 82 people have made the choice to be a part of Core Class. Whatever your story has been until now, you were made to live in the love of God and to give that love away to everyone around you. As a community, we want to help you discover the purposes of God and practice them in your daily life.

At Core Class, we spend time around a table together learning how to take the next step in each of our faith journeys. If you want to get to know the person of Jesus, grow in your faith, and build a community of Jesus-followers around you, Core Class is where you need to be.
