## ***THRU THE BIBLE***

***THRU THE BIBLE*** is designed to help you become familiar with the major persons, places, events, and themes of the Bible in less than one year of casual reading.

This plan is designed to give you five days of readings, covering the major portions of the Bible in ten months time.

You may begin this reading plan at any time during the year, but once you begin - do your best to stay with your newfound habit of reading each week.

This plan begins with the Gospel of John, since the purpose of the Bible is to introduce us to God's Son, Jesus Christ, and his eternal work of salvation for us.

Old Testament readings are placed in the historical sequence they cover, rather than in the order found in your Bible.

God Bless,

A handwritten signature in black ink, appearing to read "Steve Miller". The signature is fluid and cursive, with a long horizontal stroke at the end.

## THE TABERNACLE

The Tabernacle, built under Moses' leadership, was the center of Jewish worship for centuries, until Solomon's Temple was built. Notice the similarity to Solomon's Temple is basic layout, although its design was for mobility and lacked the beauty of Solomon's design.

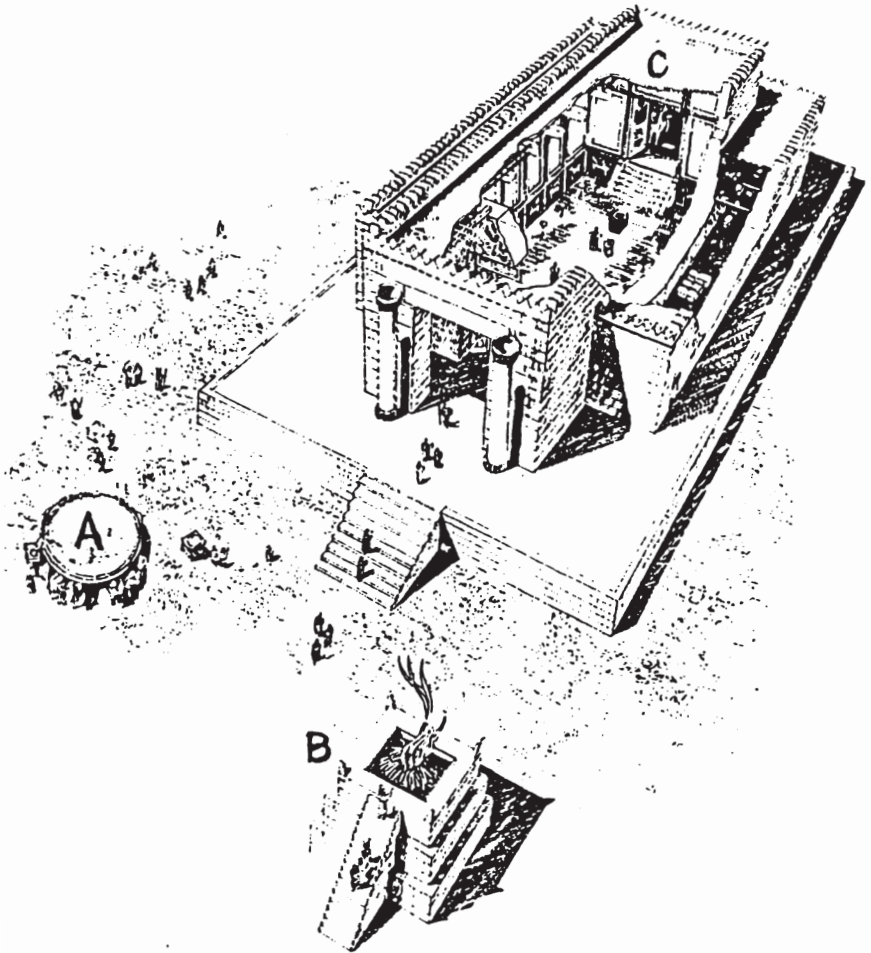

## SOLOMON'S ROYAL BUILDINGS

Solomon did elaborate building on the top of Jerusalem's Temple Mount. Below is a plot plan of the buildings, including the Temple, as they were situated in Jerusalem.

## SOLOMON'S TEMPLE

Solomon's elaborate Temple included a huge bronze bowl mounted on 12 oxen made of bronze (A) where priests performed their cleansing rituals. A spacious altar for sacrificing animals (B) was in the courtyard area. The most important part of the Temple was the Holy of Holies (C) inside, where the Ark of the Covenant resided.

The Books cover the period from the period of the Kings until the period of the exile of Israel
